Welcome to the 12<sup>th</sup> Run for Life. A Baby's Breath is celebrating its 10<sup>th</sup> year in serving the community of Norristown with our free services to "help a mother to see her child take his/her first breath." All of the proceeds of the Run for Life – Norristown 2010 go towards the operating expenses of the Jeffersonville center.

We have four teams participating in the event today: Visitation CYO, St. Eleanor's CYO, and Epiphany CYO, and the Kennedy Kendrick High School Track Team.

Our center in Norristown has served 153 clients in the past year. We help in a time when having a baby is not a good time. We help with one on one counseling pregnancy counseling, parenting classes, pre-natal classes and a Baby Store which gives distributes the baby items in an incentive-based system. We address the educational needs of our clients by covering the cost of the GED and private tutoring. All of our services are free, confidential, and given by volunteers who care enough to give their precious time. We honor our Jeffersonville center Advocates below:

Anita Delucia, Mary Eads, Marilyn McGowan, Lora Billy, Laura Aiello

We thank our Parenting Class Coordinator: Judi-Arena Ondik and our Pre-Natal Nurse Coordinator: Dolores Baldassari, R.N.

Lastly, we thank the Jeffersonville center Board: Mark DeLuca, General Manager, Director, Paula Manchester, and Laura Aiello, Donations Coordinator.

Today's Run has been brought to you by the following  
Run for Life – Norristown 2010 committee:

Mark DeLuca – Race Director

Dorothy Swedkowski – Day of the Race Coordinator

Sandra Dounce – Donations Coordinator

Michele Kenzakowski – Ad Book

## **VOLUNTEER!**

We are always looking for volunteers to help us meet our mission. Feeling inexperienced? No problem. We have a Leadership Course happening on April 17th at Villanova University. Attached on the back of this page is the registration for it. Please consider this act of love and generosity.

On behalf of everyone at A Baby's Breath, thank you!

*“...to help a mother to see her child  
take his/her first breath.”*

*Perfection consists in doing His will, in being what He wills it to be.  
St. Therese of Liseaux, Patron Saint of A Baby's Breath*

A Baby's Breath is celebrating ten years of providing free pregnancy counseling, pregnancy tests, pre-natal classes, parenting classes, tutoring and material assistance to mothers, fathers and families. We have directly helped hundreds of clients in crisis pregnancies with an all volunteer staff. We have grown three centers and have plans to grow more. Our methods are simple. We train individuals with little or no social work experience to provide meaningful assistance to people in crisis. Our Catholic and Christian base gives our clients the services they need with the Spirit they deserve. A Baby's Breath is a unique way to reach perfection.

*“Theology of the Body for Teens is a brilliant curriculum. It is so successful because it speaks to the teens without sacrificing the beauty and power of the message.”*

– Christopher West  
Best-selling author

Using a great mix of stories, real-life examples, activities, prayers, and references to the culture that teens understand, *Theology of the Body for Teens* takes the two hottest topics on the planet—God and sex—and “marries” them through Pope John Paul II’s compelling vision for love and life.
